# STATE OF GEORGIA

## SUPPORT

### HB 266

Repeal the authority of the Department of Public Health to require persons to submit to vaccinations against or other measures to prevent contagious or infectious diseases.

### SB 1

Remove the automatic repealer on the prohibition on state and local governments from requiring proof of COVID-19 vaccination for government services.

## OPPOSE

### HB 416

Permits pharmacy technicians to administer certain vaccines including COVID-19 vaccines.

### HB 213

Requires the Georgia DOE to provide information on immunizations to parents of school children. Currently, the bill would allow the DOE to only partially disclose Georgia law on immunizations.

### THE FACTS

## DID YOU KNOW?

According to CDC, vaccinated people are not less infectious than unvaccinated people.

Vaccinated people acquire and transmit COVID-19 just as easily and as often as unvaccinated people.

According to CDC, COVID-19 vaccines do not prevent transmission.

The shots were not tested to prevent infection or transmission and the drug companies don't claim they do.
