STATE OF MISSOURI

SUPPORT

SB 49 - SIGNED BY GOVERNOR

Establishes the "Missouri (SAFE) Act" where no physician or health care provider shall provide gender transition procedures to any minor.

HB 498

Includes businesses that host drag performances in the definition of a sexually oriented business.

HB 1169

Requires disclosure and informed consent for any product (including food & cosmetics) that would produce impacts on the human body similar to a gene therapy drug, such as an mRNA vaccine in cattle, fruits and vegetables.

OPPOSE

SB 41

Allows pharmacists to order and administer vaccines approved by the FDA, including COVID-19.

THE FACTS

DID YOU KNOW?

According to the NIH, adolescence is an important time for brain development.

The brain finishes developing and maturing in the mid-to-late 20s. The part of the brain behind the forehead, called the prefrontal cortex, is one of the last parts to mature. This area is responsible for skills like planning, prioritizing, and making good decisions.

According to CDC, COVID-19 vaccines do not prevent transmission.

The shots were not tested to prevent infection or transmission and the drug companies don't claim they do.
